Insider Threat Program Management With Legal Guidance Training Course TM

One of the most important aspects of developing and managing an Insider Threat Program (ITP) is protecting the privacy and civil liberties of employees. Ignore this critical aspect and a business might find itself involved in a lawsuit with a current or former employee.

The Insider Threat Defense Group has partnered with the Insider Threat Management Group to offer the *only* training course that *covers both* ITP Development / Management and Legal Guidance for ITP's.

He has over 15 years of experience investigating, prosecuting, and mitigating Insider Threat risks. Mr. Thompson has been involved in developing, implementing and managing ITP's for numerous U.S. Government Agencies, and private sector companies. His work with the National Insider Threat Task Force led to the creation of the National Insider Threat Policy and Minimum Standards for Executive Agencies. Your training was extremely comprehensive and I gained a wealth of very valuable knowledge attending the Insider Threat Program - Development Training Course. As I mentioned to you in class, I attended the Carnegie Mellon University (CMU) Insider Threat Program Manager Course. I spent \$3500, plus travel. I left with limited knowledge and resources to help me develop my companies Insider Threat Program. Wish I had known about your training first. I got so much more out of your course, compared to the CMU course. I will highly recommend your course to other security professionals I know. Your course is # 1 in my book.

Mr. Henderson

Delvon and I have spent the last week finally getting to deep dive into the resources you provided during the training and establish a plan. Our overarching response is this training was EXTREMELY valuable! I doubt we could have ever established a sufficient or robust Insider Threat Program without your guidance and resources you've provided to date - just fantastic!. I look forward to sharing your contact information with our business partners and highly recommend your services.
