Insider Threat Mitigation - Going Beyond Compliance & Traditional Security Approaches

The Insider Threat Defense Group has *successfully demonstrated* to our clients the many *Insider Threat Risks* that traditional security approaches fail to mitigate, and will put an organization's assets at risk. Our training and services will provide our clients with the knowledge and resources to develop, implement and manage a robust and effective Insider Threat Program. With the assistance of industry recognized Insider Threat Mitigation Experts / Partners, our training and services are *continually* being enhanced to provide our clients with the *Gold Standard* for Insider Threat Mitigation.

Insider Threat Defense Group Client Satisfaction

The Insider Threat Defense Group provides training and services that *greatly surpass* other providers of Insider Threat Mitigation training and services. Our student and client satisfactions levels are in the exceptional range. ([Student-Client Satisfaction / Comments](#)) (References Available Upon Request)

Please contact me to learn more about the Insider Threat Mitigation [Training](#) and [Services](#) we offer.
