### **Insider Threat Mitigation - Going Beyond Compliance & Traditional Security Approaches**

The Insider Threat Defense Group has *successfully demonstrated* to our clients the many *Insider Threat Risks* that traditional security approaches fail to mitigate, and will put an organization's assets at risk. Our training and consulting services will provide our clients with the knowledge and resources to implement a comprehensive Insider Threat Mitigation Framework, or to develop, implement and manage a robust and effective Insider Threat Program. With the assistance of industry recognized Insider Threat Mitigation Experts / Partners, our training and services are *continually* being enhanced to provide our clients with the *Gold Standard* for Insider Threat Mitigation.

### **Insider Threat Defense Group Client Satisfaction**

The Insider Threat Defense Group provides training and services that *greatly surpass* other providers of Insider Threat Mitigation training and services. *Our student and client satisfactions levels are in the exceptional range.* We encourage you to read the feedback from our clients on this link: [Student-Client Satisfaction / Comments](#) (References Available Upon Request)

For additional information on our training, consulting services and noteworthy accomplishments please visit this [link](#).
